

ADLER STREET TO BECOME ONE-WAY OCTOBER 3

As part of the Zoo Interchange Reconstruction Project, work will begin on Adler Street on October 3 and continue through Fall 2015. In order to allow for this work, Adler Street will be a one-way westbound roadway, from 84th Street to 94th Place. All Adler Street residents east of 92nd Street must access their homes via 84th Street. All Adler Street residents west of 92nd Street must access their homes via 92nd Street.

WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust, and some work may be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.
